

## Capillary

### Features and Benefits:

- Easy to welding on optical device
- Environmentally stable
- Reliable structural designing
- Customized design

### Application:

- LD/PD Module packaging
- Optical device connection
- Pigtailed device
- Instrumentation

### Specification:

Characteristics	Values
Hole Diameter( $\mu\text{m}$ )	$\phi 125, 125.5, 126.0 + 0.003$
Concentricity( $\mu\text{m}$ )	$\leq 5.0$
Material(Ferrule/Flange)	ALL ZIRCONIA/SUS 303,304,316L,430
